WARRANTY

COVERAGE

DYNAMAX Industries new replacement parts are warranted to be free from defects in material and workmanship under normal use and service for a period of twelve (12) months, 100,000 miles, or 2,000 hours of operation, whichever occurs first from the date of first installation in an engine. Coverage applies to the initial user of the part until the end of the respective warranty periods, and shall not apply to subsequent owners or users. DYNAMAX Industries will replace free of charge or pay for an above-defined parts warrantable failure, including freight.

OWNER'S RESPONSIBILITIES

Owner is responsible for the operation and maintenance of the engine as specified in the applicable O.E.M. Operation and Maintenance Manuals. Owner must give notice to DYNAMAX Industries within thirty (30) days of any suspected failure and before expiration of applicable warranty to be considered warrantable. Owner will provide alleged defective and associated parts for examination by DYNAMAX Industries and, if requested, return same to DYNAMAX Industries. Owner is responsible for all the costs, including, but not limited to, labor and repairs to items and engine in which the parts are installed, down-time expenses, and all business costs and losses resulting from a warrantable failure.

WARRANTY LIMITATIONS

DYNAMAX Industries is not responsible for failure resulting from owner or operator abuse or neglect, such as, but not limited to operation without adequate coolant, fuel or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, coolant or air intake systems; improper storage, starting, warm-up, run-in or shut-down practices. DYNAMAX Industries is not responsible for failures resulting from improper repair or installation, for parts that have been altered or for parts not approved by DYNAMAX Industries. DYNAMAX Industries does not warrant parts supplied by DYNAMAX Industries which bear the name and/or trademark of another company. These parts are warranted by their manufacturers and not by DYNAMAX Industries. This warranty does not apply to parts provided by DYNAMAX Industries on a no-charge basis. In no event shall this warranty extend beyond eighteen (18) months from the date of sale. There are no warranties expressed, implied or statutory, for parts named herein before, made by DYNAMAX Industries other than set forth herein. We neither assume nor authorize any other persons to assume for us any other liability in connection with our products. DYNAMAX Industries shall not be responsible for any other consequential damages or contingent liabilities. Further, in no event shall DYNAMAX Industries bear any responsibilities for any damages which exceed the then available aggregate coverage provided under the terms and conditions of its products liability policy.

This warranty for the United States shall be interpreted, governed and enforced in accordance with the laws of the State of New Jersey, U.S.A.
